## Don't Deny Your Ears!

The cover of this issue of STATIK features the debut of our new logo, designed by local graphic artist Jean Lambert. At CKUT we try to provide all kinds of pleasures and challenges for your ears. Broadcast power is more than the power to sell, it's the power to stretch the limits of what people have presented to their ears-making good on all of the possibilities you don't normally get to hear. We wouldn't want you to neglect your other senses, but don't deny your ears.

Our programs were chosen for their ability to provide interesting, intelligent presentations about issues and viewpoints you probably won't hear in the mainstream. In our music shows, that means our announcers pick their own music - on its merits. In spoken word programs, it means you receive information and analysis directly from members of the community. We put our broadcast power in the hands of people like yourself to discuss the issues we are facing. It also means special programming like Feminist Focus Day, Earth Day, Gay Day II, Midnight Snacks and Independent Music Day.

The character with the huge ear is carrying the banner for our second annual public funding drive. We are asking our listeners to come up with \$50 000 to help us continue to grow. Nothing comes for free. On commercial radio, there's a heavy concentration of ads

and commercially oriented programming. We keep our ads to a minimum and our independence to a maximum. If that matters to you, please help us out from February 28-March 10.

## Vive les Oreilles Libres!

La page frontispice de votre guide de programmation STATIK représente pour la première fois notre nouveau logo conçu par un graphiste local, Jean Lambert. A CKUT nous essayons toujours d'apporter de nouveaux défis et de sensibiliser nos auditeurs sur les différents points de vue dans la communauté, des commentaires et des opinions divergentes, qu'il ne faudrait pas ignorer non plus.

Contrairement aux autres stations, nous essayons de vous présenter des émissions dignes de nos auditeurs. Ce n'est pas la commercialisation qui influence le choix de l'information ou de la musique diffusée. En d'autres mots ceci signifie également que les informations et les analyses que nous émettons sont exprimées directement par les membres de notre communauté. Les questions qui nous intéressent reposent très souvent entre vos mains, vous, notre publique à l'écoute. Ces questions concernent en plus des programmes spéciaux comme: Feminist Focus Day, Earth Day, Gay Day II, Midnight Snacks et Independent Music Day.

Comme vous pouvez le constater le personnage avec la grande oreille porte la bannière de notre seconde campagne annuelle de levée de fond. Nous demandons à nos auditeurs de nous aider à atteindre notre objectif de \$50,000\$, afin de nous permettre d'agrandir nos horizons. Rien n'est gratuit.

CKUT n'est pas une radio comme les autres. Nous concentrons nos efforts à une plus grande diffusion de programme et un minimum d'annonces publicitaires.

Si tout-ceci vous intéresse autant que nous, nous vous prions de nous aider dans notre campagne de financement du 28 Fév. au 10 Mar.

## The Power of Broadcast Funding Drive 1991

The year has already been witness to some of the most challenging events in recent history. CKUT forges ahead with both long and short term projects, though none of these goals can be realized without your support. CKUT prides itself on programming and the commitment and accountability to our listeners. All of our endeavours serve to provide the best possible, dynamic radio service for our listeners. Adequate funding is a constant threat to the survival of CKUT. The bottom

line is that programming costs dollars - money for tape supply, equipment, telephone bills, printing, skeletal staffing, microphones, interviewing decks, the list goes on... Encouraging listener involvement has always been and will continue to be one of the main priorities for CKUT. We do this a number of ways, the largest endeavour being the annual funding drive. Perhaps you recall the time you called in and won a pair of concert or movie tickets, or the time you made that request, or perhaps you were enquiring about some community event or maybe you heard something that really made you think, or you just loved the music! - this is how CKUT serves you on a day to day basis. Community, grassroots radio media is crucial now, more than ever, and CKUT cannot survive without your active involvement.

Become part of CKUT and pledge your support to the healthy continuation of community radio in Montreal by dialing 398-8991 anytime between February 28 - March 10th. We need to know that you're out there and with a goal this year of \$50,000.00, we really need your help. Remember the Grand Prize Draw: May 31, 1991 - only those who have pledged and honoured that pledge are eligible for entry.

## La Diffusion de la Puissance Levé de Fonds 1991

Nous avons vécu des événements des plus marquants de notre Histoire récemment après seulement 3 mois depuis le début de l'année. Dès lors des défis qui se présentent à nous, nous allons de l'avant avec des projets à court et long terme. Nos objectifs ne peuvent être atteints qu'avec votre participation. CKUT est fier de sa programmation, de sa fidélité ainsi que de sa responsabilité envers ses auditeurs. Tout nos projets ont comme objectif principal d'offrir à nos auditeurs un service radio

phonique des plus dynamiques. Le manque de ressources financières est une menace à la survie de CKUT. En d'autres mots, la programmation radiophonique, c'est coûteux: argent nécessaire pour l'approvisionnement de cassettes, équipements, frais de téléphone, imprimerie, manque de personnel, microphones, magnétophone-cassettes, etc... et la liste continue.

Une de nos priorités à CKUT, a toujours été, et le sera toujours, favoriser la participation de nos auditeurs. Pour ce faire, nous utilisons plusieurs moyens. La plus importante, notre Levé de Fonds annuel!

Souvenez-vous: d'un simple appel où vous avez gagné des billets de spectacle ou de film, de votre demande spéciale, de votre besoin d'informations concernant des événements communautaires, peut être avez-vous entendu quelque chose d'importance qui a suscité votre attention ou votre réflexion. C'est de cette façon que chaque jour CKUT tente de vous rendre service.

Plus que jamais la radio communautaire est à la base des activités culturelles dans la communauté. Encore une fois, votre participation nous est essentielle. En démontrant votre appui la radio communautaire ne peut que progresser. Nous vous demandons donc de nous aider. Communiquiez avec nous en appelant: Montréal 398-8991 entre le 28 février au 10 mars. Ne vous faites pas attendre, appelez-nous! Notre objectif est de \$50,000.00\$ cette année. On a grandement besoin de votre aide. N'oubliez pas la grande tirage le 31 mai - c'est pour les personnes qui a payer leurs dons.
